The federal government takes a count of people every
ten years, and this is the year that we have all
received a census form in the mail. Following suit, the
parish is taking its census of our members to update

St. John's Census 2010

the information we have as we
organize to better serve the
Mission of the parish. Beginning on
Sunday, April 11, we will be asked
to complete a short 'St. John's
Census 2010'. Why you might ask? Because we want
to better serve the needs of all the people. We move
around more today than ever, if not physically, many
change email addresses and other contact
information. Knowing the ages of our members allows
for the development of ministries, such as youth
groups, Sunday School classes for all ages, support
groups for young parents, and the list is endless. The
form will also be mailed and available as a
downloadable form on our website at
www.saint-johns.org. Thank you for your assistance
with this important project.
