Thursday's Meal Program: Peanut Butter Cause

If you are interested in contributing to
the Peanut butter cause at South Bay
Community Services, please donate jars of
peanut butter by leaving your donations in
the Narthex. Each Wednesday South Bay
Community Services distribute the jars of
peanut butter with a loaf of bread. We have
been so fortunate to make a difference in the lives of South
Bay families and the need for food is so important. Pick up
an extra item or two when you are in the grocery store or buy a
few of the sale items. Every little bit helps. There is also a
need for personal care items, baby food, and diapers.

Thank you for your support for the program.

If you have any questions, please contact Rene Malle at (619)

South Bay Community Services

Dear Friends,

At South Bay Community Services have been responding to the crisis caused by the recession since it began. Two years ago, we began community food distribution services because of increased demand. There are over 1000 people per month and is growing weekly. These families are your neighbors, the people you go to church with; their children go to school with your children. One of the volunteers discovered an old high school friend standing in line for food. A former Chula Vista commissioner, who lost his job two years ago, uses our food services to help his family. Increasingly, our clients include elderly and even enlisted military.

These are challenging times. More and more families are coming to us for help. Many are families who have never needed to seek a helping hand. We need your help. Please consider making a donation that will provide assistance to your neighbors in need.

Sincerely,
Kathryn Lembo- CEO
South Bay Community Services

If you would like more information on donating or helping out, please contact Fr. Jack Tolley.
