Thank you for the recent outpouring of love during the recent loss of our family member Carl. Your thoughtful acts of kindness including the service, reception, gifts, cards, and comforting words will never be forgotten.

Carl was so proud that his name was associated with the building of St. John's and with its wonderful people. We have created a website in his memory where you can visit and we welcome you to do so. Also on the website is a link to the U.S. Army website for his troop, with a write up of his obituary.

New Sunday School Program Begins

Buzz!!! A new interactive Sunday School program will begin at St. John's this Sunday July 10th. Buzz makes Sunday school fun for kids because they experience Bible truths in ways they enjoy and understand. Buzz is more than a written lesson-it's an interactive experience! Kids will learn in whatever way fits their style-whether that's reading, acting, drawing, listening, singing, playing a game, and more. And kids can't wait to get started because they make choices throughout the lesson.

As kids dig into the Bible with creative activities, they'll soak up life-changing lessons that'll really stick. Plus, they'll build relationships with one another, watch for God with God Sightings, apply Bible truths to their daily lives, and even pray for each other!

Peanut Butter Update

The food collection peanut butter for the program at South Bay Community Services took a good turn this month. The Men of St. John's were able to negotiate over 700 jars of peanut butter at the sale price!

At the meal service at SBCS loaves of bread are distributed to attendees. The peanut butter and bread provide additional meals for other family members or something to eat in between food services. Well, we all know that peanut butter on bread can cause some tight lip smacking. How can you help.....

The Challenge to St. John's is to provide jars of jelly to match the 700 jars of

peanut butter. Just bring jars of jelly to Church on Sunday. It's so easy!
