Wednesday South Bay Community Services distribute the jars of peanut butter with a loaf of bread. We have been so fortunate to make a difference in the lives of South Bay families and the need for food is so important. Pick up an extra item or two when you are in the grocery store or buy a few of the sale items. Every little bit helps. There is also a need for personal care items, baby food, and diapers.

Thank you for your support for the program. If you have any questions, please contact Rene Malle at (619) 395-3750.

We are looking for members to host the hospitality table in Nale Hall in between and after the 8:00 a.m. and 10:00 a.m. services. It is really easy and you can do as much or as little as you like. Plan on some sort of refreshments such as donuts, muffins, bagels and cream cheese, breakfast cakes, cereals and fruit, yogurt, etc.

Bring it to the church and set it out on the counter in Nale Hall.

1000 people per month and is growing weekly. These families are your neighbors, the people you go to church with; their children go to school with your children. One of the volunteers discovered an old high school friend standing in line for food. A former Chula Vista commissioner, who lost his job two years ago, uses our food services to help his family. Increasingly, our clients include elderly and even enlisted military.

These are challenging times. More and more families are coming to us for help. Many are families who have never needed to seek a helping hand. We need your help. Please consider making a donation that will provide assistance to your neighbors in need.

Sincerely,
Kathryn Lembo- CEO
South Bay Community Services
