A New Look for the Eagle and E-News

The Eagle and the E-News has a new look! The E-News is published every week, so if you have news news please submit as soon as possible. If you would like to submit an article in the Eagle Newsletter for August, please submit your article to Wendy Romo at wendyr@saint-johns.org or drop it off at the front office. The deadline is the 15th of every month. If not submitted on time, your article will be in the newsletter in the following month. Thank you!

Peanut Butter and Jelly Update

The food collection peanut butter for the program at South Bay Community Services took a good turn this month. The Men of St. John's were able to negotiate over 700 jars of peanut butter at the sale price!

At the meal service at SBCS loaves of bread are distributed to attendees. The peanut butter and bread provide additional meals for other family members or something to eat in between food services. Well, we all know that peanut butter on bread can cause some tight lip smacking. How can you help.....

Welch's jelly is on sale at Albertsons this weekend only! If you buy ten jars, they will be \$1.50 each. When you purchase the jelly, please try getting the plastic jars and not glass jars. Help out by picking up a couple of jars at your nearest store location.

The Challenge to St. John's is to provide jars of jelly to match the 700 jars of peanut butter. Just bring jars of jelly to Church on Sunday. It's so easy!

New Sunday School Program

Buzz!!! A new interactive Sunday School program just began at St. John's this Sunday July 10th. Buzz makes Sunday school fun for kids because they experience Bible truths in ways they enjoy and understand. Buzz is more than a written lesson-it's an interactive experience! Kids will learn in whatever way fits their style-whether that's reading, acting, drawing, listening, singing, playing a game, and more. And kids can't wait to get started because they make choices throughout the lesson.

As kids dig into the Bible with creative activities, they'll soak up life-changing lessons that'll really stick. Plus, they'll build relationships with one another, watch for God with God Sightings, apply Bible truths to their daily lives, and even pray for each other!

All children are invited to attend, it's not too late !
