Dear Parents and Students,

During registration for the current school year, you were given the option to pay for the 2009-10 yearbook. Many of you took advantage of this opportunity. For those who did not, the time is here to purchase your yearbook.

In order to streamline the process, we are asking you to notify Margarita Ramos in the office **only if you do NOT want to receive a yearbook this year.** If you are not sure whether you paid during registration, you may ask in the office.

**If you do not notify the office by April 23, your Smart Tuition account will be billed.** The cost of the year book is \$50.00. The year book staff has worked very hard on this book and it promises to be very exciting. **YOU ONLY HAVE UNTIL APRIL 23RD TO DECLINE.**

Click on the yearbook picture to download the form you need to send into the office in order to decline receiving a yearbook.

Children's Day Celebration/Día Del Niño

Friday, April 30, from 11:00 P.M. to 12:00 P.M.

Since 1925, Dia del Niño, or Children's Day, has grown as an annual celebration. This day recognizes children, pays homage to their importance in society, and endorses their wellbeing. This year we will do our part to acknowledge our children by having a classroom celebration to honor them.

Please forward this email to family and friends.

With activities galore and 256 acres of forest and meadows to explore, children have more fun and make more friends in a week than they ever imagined, all while developing leadership and interpersonal skills, stimulating their imagination and creativity, and having a ton of fun.
